INFORMATION

INFORMATION FLIGHT MYSTERY GAME

Enjoy an entertaining detective game at the table for your company outing, stag party or family get-together! Our Flight Murder Mystery Game offers a unique blend of mystery and humor, all set aboard a Boeing 737. The game can be combined with dinner and lasts approximately 2.5 to 3.5 hours.

Game details:

- **Number of participants:** eight to 200.
- **Duration:** 2.5 to 3.5 hours, including breaks and dinner.
- **Game format:** Act out a humorous detective story while attempting to solve the mystery.
- **Guidance:** Led by a game host or self-led using an online e-presentation.
- **Casting:** All participants may be cast and invited to participate as a specific character.
- **Dressing up:** Feel free to wear appropriate attire for your role (bring your own).
- **Location:** A private area will be reserved for your group.
- **Venues:** Available in affiliated restaurants, or under conditions in a self-booked location.

Murder Mystery at high altitude

Take on the **role** of colorful **characters** such as German footballer Karen Schwalbe, DJ Lady Blue, Dutch singer Rien Rolmees, jaded porn star Lola Luxembourg or elderly detective writer Miss Marbles.

Shortly after take-off on Mile High Airlines flight MV7700 from Singapore Airport to Sydney, Captain Dick van Bill suddenly becomes unwell and dies. Air Marshall Marshal determines poisoning, sparking a thrilling **murder investigation**. Uncover the truth in this exciting whodunnit scenario!

Comical murder soap

Flight Murder Mystery Game is a **murder soap** with exaggerated stereotypes. All are fictional, with a high dose of humor and satire. It does not represent any opinion or judgment about any kind or group of people. The most offensive aspect of the script is the fact that two people are being murdered.

Age limit:

This game is made for **adults**. Recommended minimum age: **16**.

Game guidance options:

- Led by a **game host**: Our enthusiastic game hosts present the game and create a fun atmosphere.
- Or host the game yourself using an [online e-presentation](#). Affordable, simple and fun to do, while you also participate yourself. Perfect for small groups or low budgets.

Whodunnit?

In Flight Murder Mystery Game, the identity of the murderer is kept a **secret** from **all players** until the unveiling. This allows everyone to actively participate in the investigation, even the players portraying the murderer.

Centralized gameplay

Flight Murder Mystery Game is always played in a **centralized** manner, involving all participants. Even in larger groups the story unfolds visibly to everyone. The group is therefore **not divided** into smaller, separate groups.

Game schedule:

- **Introduction**: Get to know the characters and set the scene for the mystery.
- **Three rounds** of playing the game, while examining alibis, motives and clues.
- **Unveiling**: Listen to the murderer's confession and the facts.
- **Announcement of the winners**: The best sleuths win the game.
- **Finale**: The murder mystery is concluded by an amazing musical performance of some of the characters.
- **Dinner courses** are served in between the playing rounds.

Game materials:

- **Game Booklets**: All players receive a booklet with script and scratch cards. Like in any good detective story, subtle script details can be crucial, so the **fixed storyline** must be followed closely. The scratch cards reveal cryptic hints that can be used to track down the culprit.

- **Audio Script:** An audio script plays a significant role in Flight Murder Mystery Game. Similar to a modern radio play, participants hear parts of the story in **voices, music** and **sound effects**. This audio experience gives the game a lively and cinematic atmosphere.

Dress code:

To enhance the experience even more, feel free to **dress up** as your character. Players must provide their **own costumes**.

Casting and invitations:

The organizer can assign **roles** and send character descriptions with **outfit suggestions** to all players.

Dinner experience:

In our affiliated locations **dinner** with an appetizer, a main course, and a dessert is served along with the game. Special dietary needs can be met, and menus can be modified in accordance with the location.

Also with online e-presentation

You can also facilitate Flight Murder Mystery Game yourself with the help of an **online e-presentation**. Easy to organize, enjoyable to do, and affordably priced. As the organizer, you participate in the game like all other players.

Perfect for smaller groups, low budgets, or when the presented version is not available. More information about the online e-presentation can be found [here](#).
